## **FOR IMMEDIATE RELEASE**

### **Cahill Gordon & Reindel LLP Deploys Best Authority Table of Authorities Software**

**LEESBURG, VA – October 23, 2013** – [Levit & James, Inc. \(www.levitjames.com\)](http://www.levitjames.com), provider of the legal industry-leading Table of Authorities (TOA) software, announced today that [Cahill Gordon & Reindel LLP](#) has deployed Best Authority® throughout the law firm.

Commenting on the decision to use Best Authority, Caren Biberman, Director of Library and Information Services/CLE said, “Best Authority is highly reliable and has superior accuracy and performance. It helps us get a TOA done in record time. We are satisfied with our deployment of Best Authority.”

Best Authority is the industry's leading product for creating a Table of Authorities; 81% of the largest law firms in the United States use it. The software scans through documents and generates a professional, organized TOA in minutes. According to Ian Levit, Vice-President of Marketing and Sales for Levit & James, “We are very pleased to add Cahill to our growing list of satisfied customers.”
